SPOT LIGHT ON FALL PRODUCTS

Fall is a great time to promote home maintenance. The following products are excellent choices for fall promotions:

Clogged Gutters allow standing water to accumulate and freeze. Severe ice jams will cause excessive strain on the gutters, even causing them to come off the house.

1) Use the GutterScoop™ to clean out your gutters

LY306

2) Use a leaf strainer to prevent leaves and debris from clogging downspouts

L0307

3) Finally, use a gutter cover to prevent leaves and debris from the roof from entering the gutter.

INCREASED CAPACITY!

The perfect solution for large roof areas and intense rainfall regions are 3x4 downspouts and fittings. The 3x4 downspout system increases water drainage volume by 200%. We offer metal and vinyl components in the popular 'metal white' colour for commercial applications.

SPLASHBLOCK TESTING

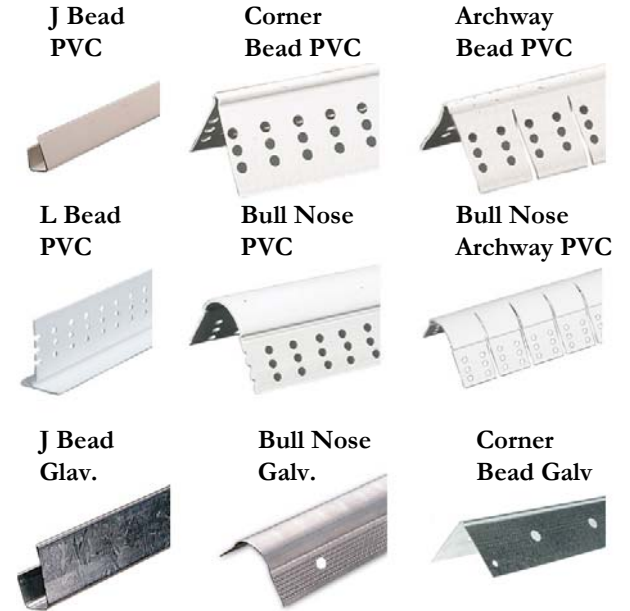

We recently put our splashblocks up against 4 other competitive brands to test functionality and design. The Euramax splashblocks proved to be far superior to the competition. Our splashblocks slowed the speed of the water the most, had the highest side walls, and the most durable material. All this at a very competitive price!

INDOOR PROJECTS!

Euramax Canada offers a complete line of Drywall cornerbead in both vinyl and galvanized, here are some examples of what we can offer:

CANADIAN TRIVIA

Q. Which of the following inventions was not invented in Canada: basketball, the electric light bulb, the electric range, the electron microscope, standard time, the television, the telephone, and the zipper?

A. Basketball even though the game was invented by Canadian Dr. James Naismith, it was invented at Springfield College in Massachusetts.
